samuelaina683@gmail.com | asocreative.studio | linkedin.com/in/samuel-aina-150391390 | Nigeria (Remote - Worldwide)

PROFESSIONAL SUMMARY

Creative technologist and founder of ASO Creative Studio — a one-person agency at the intersection of AI, design, and digital automation. Delivered 50+ projects for clients across 5 countries, specialising in AI-enhanced video production, brand identity, modern web development, and intelligent workflow automation. Currently completing a Bachelor's degree while running an active freelance business with international clientele.

EXPERIENCE

Founder & Creative Director | ASO Creative Studio 2023 – Present

- Founded and scaled a full-service creative studio delivering AI video, graphic design, web development, and automation services to brands across Nigeria and internationally
- Built a food ordering platform (Awele's Fresh Fix) with Firebase Firestore, admin dashboard, and Cloudflare Pages deployment
- Designed media materials for Apostolic Faith Campus Fellowship (AFCF), FUOYE — event flyers, social media kits, and promotional graphics
- Developed a Google Apps Script web app generating SPSS-grade academic analysis documents, reducing research report time from hours to minutes
- Created AI-powered social media content analysis tools using the Gemini API for studying framing patterns in Nigerian media
- Delivered 50+ projects for clients including VeeLuxe, BrandSpark, VibeMedia, Digital Dynasty Institute, and SkillForge Digital

AI Video Creator & Digital Marketer | SkillForge Digital Present

- Part of the digital marketing team creating AI-generated video content for online courses and brand promotions
- Produce promotional video scripts and AI image generation prompt sets for global digital skills training market
- Collaborate on social media strategy and content distribution for ed-tech campaigns

Graphics Designer | Digital Dynasty Institute (DDI) Present

- Design graphics and visual assets for DDI's training programs, bootcamps, and social media campaigns
- Create certificates, flyers, and promotional materials for AI video creation and vibecoding courses
- Maintain brand consistency across all DDI digital and print collateral

Graphics Design Intern | Carparts Nigeria Limited 3 Months

- Completed intensive 3-month graphics design internship with hands-on training in brand identity, product visuals, and digital marketing materials
- Designed promotional graphics and social media content for automotive parts e-commerce platform
- Collaborated with marketing team to produce visual assets for campaigns and product launches

Freelance Creative Professional | Self-Employed 2022 – Present

- Designed brand visuals and social media graphics for consumer brands: Joyce Bites, Cuticles & Co., God's Glory Ministry
- Created movie trailer thumbnails and social graphics for Becky Ithra TV's "Stray" film production
- Developed the Growmybiz digital growth agency concept — market research, business plan, and proposal writing for Nigerian SME clients

EDUCATION

CERTIFICATIONS

- AI Video Creation — Digital Dynasty Institute (DDI)
- Vibecoding & Automation — Digital Dynasty Institute (DDI) — DDI-851690
- Graphics Design Internship — Carparts Nigeria Limited
